PLEASE IMMEDIATELY FORWARD THIS IMPORTANT INFORMATION TO THE PERSON RESPONSIBLE FOR THE SCHOOL EXHIBITS.

TO ALL CALUMET COUNTY SCHOOLS

DEAR SCHOOL EXHIBITOR:

Please go to the Calumet County Fair website www.calumetcountyfair.com click on Exhibitors, and then school exhibits. You will find this letter there, the description of all of the classes that you can enter your student's artwork in, a copy of the entry blank and the entry tags that you will need to enter your students' projects into the Calumet County fair. This is a great educational and learning experience for the children.

Although the entry tags have been improving, there are still items that are incorrectly entered, thus eliminating them from competition. Please take the time to check that each entry has an entry tag securely attached, they seem to come loose in transit, and also check that each child has an entry form filled out which should match the entry tag. Be sure that entry tags are not hidden within your exhibits, this disqualifies them as they are not then entered with the batches that are all together.

If your school is going to participate this year, please bring your items to the fairgrounds sometime in May or the end of the school year. Grounds keepers are at the fairgrounds usually Monday through Friday from 8 a.m. to 2 p.m. If other arrangements need to be made please call me at (920) 517-3440.

Someone from each school will be required to set up the display for the fair. This can be done anytime from August 26 – 31, 2023. The display should be taken down on Monday, Sept. 4, 2023, after 5:00 p.m.

If you have any questions, please feel free to contact me. It is always a pleasure to see the youth who may not be involved in any other way at the fair, come in to look for their exhibits and show them to family and friends. Thank you in advance for your participation. **SEE YOU AT THE FAIR!**

Sincerely yours,

Clara Hedrich,
Secretary
Calumet County Agricultural Association

CALUMET COUNTY FAIR RULES AND REGULATIONS

PREPARING AND LABELING EXHIBITS:

1. Place white entry tag on the front side, lower right-hand corner. Clearly print or type all of the required information on the tag.
2. Special care is needed when attaching tags to articles which are not flat.

PREPARING LOWER PORTION OF ENTRY BLANK:

1. All entries made by each pupil must be entered separately on an Entry Blank, with a maximum of 5 entries per pupil. (See Sample) A separate Entry Tag must be made out for each entry with the same information as the Entry Blank and placed on the exhibit.
2. Exhibitors may make only one entry per class number. If there is a duplicate number on any entry blank, the article will be eliminated.
3. Group entries **cannot** be entered on individual's Entry Blank; they must be entered on their own Entry Blank and use their own Exhibitor's number.

GENERAL RULES AND REGULATIONS:

1. All entries are due before June 20th at the Calumet County Fairgrounds. It will be the responsibility of the school to transport all items on time! Grounds keepers are at the fairgrounds Monday through Friday from 8:00 am to 2:00 pm. If you have questions please call Clara Hedrich at (920) 517-3440.
2. All work must be done during the current school year.
3. Use the code found in the rules and regulations to indicate the division.
4. Please try to limit entries to no more than seven like items from a classroom. This eliminates the students from the same classroom competing against each other.
5. Please place articles of same class and lot number together.
6. Use exhibitor's number assigned for your school.
7. Put all exhibitors' Entry Blanks together and place in box labeled "**School Exhibitors Entry Blanks**" in the Brantmeier Building at the Calumet County Fairgrounds.
