Although the entry tags have been improving, there are still items that are incorrectly entered, thus eliminating them from competition. Please take the time to check that each and every entry has an entry tag securely attached, they seem to come loose in transit, and also check that each child has an entry form filled out which should match the entry tag. Be sure that entry tags are not hidden within your exhibits, this disqualifies them as they are not then entered with the batches that are all together.

The theme for the 2008 Fair is Wheels and Squeals.

Fairest of the Fair is set for Saturday, March 29, 2008 at the church in Forest Junction.

An agreement was reached between the Calumet County Agricultural Association and the Steam Engine Club. The contract was signed.

Deb Stebane will get more information on pig wrestling.

Paul Neuber will offer a pre sale of tickets for the Carnival. The cost will be \$.50 per ticket. The tickets may be purchased up to Friday of the fair.

Community Bank has an ATM machine.

Grounds Keepers currently receive \$5.75 per hour. Suggestion was to review this.

Judges currently receive \$50.00 plus \$5.00 per hour. Suggestion is to review this. Perhaps put something towards mileage.

The next meeting is set for March 24, 2008 at 7:30p.m.
