

2020 Calumet County

Fairest of the Fair & Junior Fairest of the Fair Selection

APPLICATIONS DEADLINE EXTENDED - May 15, 2020

We believe it is time for us to move forward and make the best of our current situation. We have had several individuals ask about what we think this year will look like for the Fairest and Junior Fairest. That is a great question, and our answer has been “different”. We know that currently all of our normal activities have been canceled until mid-June. We believe that this year’s representatives will do things virtually using video, Facebook Live, Snap Chat, Instagram, etc. Time to think outside of the box and make a new course of action. We will abide by public gathering stipulations, but we are going to promote the Calumet County Fair.

We will continue to take applications for both the Fairest of the Fair and Junior Fairest of the Fair until May 15, 2020.

Deadline for Applications:	May 15, 2020
Self-Introduction & Event Presentation Video:	May 20, 2020
Virtual Interviews:	May 25 - June 8, 2020
Coronation:	June 14, 2020 - Sunday

Once your application has been received you will be contacted with a time for a virtual interview with a panel of judges.

You will need to submit a self-introduction and an event presentation via video. These may be used as a virtual coronation if the need for that type of event presents itself.

The Fairest of the Fair committee is determined to provide a unique opportunity for the selected individuals to promote the 2020 Calumet County Fair. We anticipate having the “Biggest Little Fair in Wisconsin” Labor Day Weekend, but we all need to be aware that all events could be changed or canceled as we travel this Coronavirus together.

If you have any questions please email ccffairest@gmail.com or call Deb at 920.850.6826.
